

## Art Classes for Beginners – Three week workshop

### Course Overview

This is the ideal workshop for those new to art or "rediscovering" their artistic side. A perfect opportunity for those with some experience who want to hone their skills.

Enjoy friendly and engaging introductory art classes where you will feel at ease with fellow participants and with our trainer who will ensure you have sound advice and practical guidance.

All participants will be given individual guidance and support in the mediums of water colour, pastel, and acrylic. Other areas covered are drawing style, composition, form, and tone.

Learn what you need to get started using these mediums, a little basic colour knowledge and the basic 'how to' of these three mediums.

Take home the beginning of a new hobby in your first art portfolio journal.

### Our Trainer

This creative beginner workshop will be led by local Elizabeth Smythe who has a passion for all things artistic and over 20 years' experience as an Adult Education, teaching a variety of disciplines including art.

### Target Audience

This workshop is aimed at anyone who has an interest, passion or talent for art and the desire to unlock their creative and artistic talents.

Open to ages 15 – 105.

## Benefits

Discover your inner artist or improve your existing skills. You'll be surprised at how creative you can be. Meet new likeminded people and make meaningful connections.

Art practice is a form of self-expression and communication, immersing yourself in creative pursuits can build your confidence and increase your self-esteem.
