

## Upholstery for Beginners

### Course Overview

Restore your upholstered furniture.

You will learn the basic techniques that will give you the confidence to progress to larger pieces. (additional cost for materials) starting with small projects, such as a dining chair.

Enjoy this friendly and engaging workshop where you will feel at ease with fellow participants and with our trainer who will ensure you have sound advice and practical guidance.

All participants will be given individual guidance and support.

### Topics covered

Brief history of upholstery and the updates of techniques over time. Learning about fabrics, padding, stuffing, and tools of the trade will also be included.

### Our Trainer

This course will be led by Christine Redwin, a professional upholsterer and business owner, Rest Assured Upholstery.

### Target Audience

This workshop is aimed at anyone who has an interest, passion or talent for upholstery and the desire to restore a favourite piece of furniture

Open to ages 15 – 105.

### Benefits

Discover your inner artist or improve your existing skills. You'll be surprised at how creative you can be. Meet new likeminded people and make meaningful connections.

Art practice is a form of self-expression and communication, immersing yourself in creative pursuits can build your confidence and increase your self-esteem.
