

SITHGAM022 Provide Responsible Gambling Services

Course Overview

Responsible provision of gambling services is an essential underpinning skill for all hospitality personnel involved in the sale and service of gambling activities in licenced premises.

This course provides the skills and knowledge required to maintain gaming machines, make payouts on them, check security of gaming areas, and provide advice on games offered by the organisation.

This training is an essential underpinning skill for all hospitality personnel involved in the sale and service of gambling activities in licenced premises, including the licensee, gaming supervisors and gaming managers when involved in operational gaming machines.

Target Audience

Anyone seeking to work in hospitality venues where gaming is in operation.

Benefits

You will be able to engage confidently to provide gaming services when you understand the gaming service industry and the government regulations, principles and rules of responsible service.

Learning Outcomes

This course covers:
